

MAKING A DIFFERENCE SINCE 2005

Our generous animal-loving community provides at a minimum 25% above the Shelter's operating budget to support pets while they are at their home between homes. Friends, a 501(c)(3) nonprofit, works with the Fairfax County Animal Shelter to raise funds for needs beyond the Shelter's budget.

CONTRIBUTE

Helping Every Pet Find A Forever Home

Every dollar donated to Friends ensures that all shelter pets are given a chance for a full and happy life – just like Faith!

Friends have made supporting this cause simple by offering various ways to show your support.

Scan to donate:

There are many ways to support homeless pets:

- Planned Giving
- Honor a loved one or pet at the Tribute Garden
- Recurring Donation
- Sponsor an event and more!

WHO WE HELP

Lincoln Hult

In 2025, your support of \$321,616 provided:

- 44 pets with medical care
- 18 senior pets with medical care
- 61 pets with dental care
- 4,481 pets with parasite prevention
- 529 community cats helped
- 2,813 adopted pets with collars, tags, & leashes

Doug

MISSION

We are a small, compassionate, and devoted team raising funds for medical, dental, parasite prevention, and TNVR for community cats for homeless pets at two municipal shelters. For the past 20 years, we have been committed to never abandoning a pet with a treatable condition and providing community support. Our primary objective is to secure funding for necessary medical care to enhance and, in many cases, save the lives of shelter pets in Fairfax County. Previously, due to financial constraints, many adoptable pets were euthanized. Through our unwavering dedication and the support of our community of animal lovers, we have positively impacted the lives of numerous homeless pets, creating a happier and healthier community in Fairfax County.
